

Oxea Announces Price Increases for Carboxylic Acids

Monheim am Rhein, Germany, Mar. 13, 2026 – Due to significant and sustained increases in raw materials, energy, and supply chain costs, combined with ongoing supply and demand volatility, Oxea will increase prices for the following products effective Mar. 13, 2026, or as contracts allow. This adjustment supersedes the price increase notification dated Mar. 4, 2026.

The following price increases represent the total increase effective Mar. 13, 2026, including the previously announced adjustment.
